Dear MR ALBERT LIM

Submission of Annual Audited Accounts for A1 to B2 (CW), M1 (FM01) and L6 (CR and ME) firms

Companies registered in A1 to B2, M1 and L6 are required to submit their audited accounts annually. Please submit your company's audited accounts (Foreign Branch to submit both its parent and Singapore Branch office accounts) closed on **30 June 2024** by **1 January 2025**.

You can submit your audited accounts in pdf format to <https://www.bca.gov.sg/feedbackform/>. Please note that if we do not receive your audited accounts by **1 January 2025**, your company will be downgraded to C1 (for CW), M2 (for FM01) and L5 (for CR and ME) without further notice.

A1 to B2, M1 and L6 firms can check their credit rating (based on their latest audited account submitted to BCA) through their eBACS account at www.bca.gov.sg/eBACS/. Your company may receive other types of reminder letters (before or after the date of this letter) which must also be complied with in order to maintain your registration status and avoid further downgrading. Government agencies will also be able to access the credit rating for their tender evaluation.

Thank you.

Yours sincerely
